_____ Approved

_____ Approved with limiting conditions

_____ Denied

Comments (recommendations):

Limiting conditions to be approved prior to construction:

Chairman/New Construction Committee

Date

Time Limitations:

After the initial and major review and approval by the Committee, the Participating Builder must begin construction within six (6) months from the date of approval, or forfeit all approvals. In that event, a new application must be submitted and approvals obtained before commencement of construction. In any event, construction must be completed within twelve (12) months of commencement.
